## EDUCATION

### • Bachelor of Technology in Computer Science Engineering

National Institute of Technology, Rourkela

2021-25

CGPA: 7.85

## PERSONAL PROJECTS

### • Ecommerce Website

Applied cutting-edge frontend technologies to implement responsive design, integrate interactive elements.

- Implemented responsive design, interactive features, and seamless navigation to optimize the overall user journey.
- Executed frontend development for an Ecommerce website, enhancing user interface and experience
- Technology Used: JavaScript, CSS, HTML.

### • Portfolio Website

Responsive Website, inviting visitors to explore my professional journey effortlessly.

- I methodically designed the front end of my portfolio using HTML, CSS, and JavaScript, with an emphasis on a modern and minimalist aesthetic.
- Sought ways to enhance UI/UX design and tried to be creative.
- Technology Used: CSS, Javascript, Shadcn.ui, HTML.

### • Social Media Website

Applied cutting-edge frontend technologies to implement responsive design, integrate interactive elements.

- Crafted a social media platform using React and front-end expertise involves key steps.
- Efficiently managed state using React's built-in capabilities or global state management libraries.
- Technology Used : JavaScript, CSS, HTML, ReactJs.

## EXPERIENCE

### • ICORX Internship

May - July 2023

FRONT END SKILLS

Remote

- Create and implement responsive and user-friendly web interfaces and collaborated with the design team to translate wireframes.
- Test and maintain web applications to ensure cross-browser compatibility.
- Improved code quality and maintain coding standards by 20-30%.
- Crafted compelling user interfaces, driving a 25% improvement in customer engagement.

### • Rotract (NITR) Internship

August 2023 - December 2023

Front End Lead

On-Site

- Coordinated team duties and assigned them based on expertise. Stay updated on front-end technologies, advise technological decisions, and assure code quality.
- Debugging code and front-end web applications. Ensuring cross-platform compatibility. Troubleshooting application errors.
